Hopkins Center for the Arts

- The Hopkins Center's mainstage season presents national and international live arts (music, dance and theater) performances and films. Programming is tied to its mission of offering educational arts opportunities to the Dartmouth campus and wider Upper Valley audiences and sparking rich dialogue about parallel social issues, including cultural awareness and social justice. Enrichment events for multiple age groups are also offered around most live arts events and films, such as panels, masterclasses and filmmaker talks. The Hop's School Matinee Program (currently scaled down to an online format) offers schools and educators access to season productions at a discounted ticket price along with free corresponding study guides. Additionally, the Hop hosts free short performances and interactive arts workshops for children and families in its HopStop series.
- Offered to youth of all ages
- Reduced rates/free yearly programming

Amplified Arts

- Amplified Arts offers several programs in the Sullivan County Area. Our Toy Box Theatre Project is for ages 6months to 5yrs and offers interactive arts based activities and events for young explorers and their caregivers to experience together. Our Summer/Winter camps for ages 9 to 13 offer in person arts programming like theatre, film and art. Our Academy is an early career artist program for artists ages 13 to 18. This award winning program offers in depth training in theatre as well as opportunities to experience the arts in and around the region. We have our adult theatre Company (ages 18+) that provide access to classic and contemporary theatre through live, locally produced and award winning theatre experiences. We also provide our community with film screening, interactive special events and our pop up art gallery "Streetside Art Gallery" provides a venue for local artists to present and sell their art. We are currently closed for in person programming due to COVID but hope to be back in the Fall of 2021 with our unique offers and arts experiences.
- Programming for all ages 6 months and up year-round
